

PREPARATION COURSE FOR THE NEW POLICE PROMOTIONAL EXAM 2010

Why is the New Jersey Police Promotional Exam Going to Change in 2010?

The United States Department of Justice filed a lawsuit against the multiple choice book test. In every city where the Justice Department has removed the multiple choice book test, it has always been replaced by a test **similar** to the **Bernstein Work Sample Assessment Test (B-WSAT)**. The work sample type test is used in Miami, Chicago, and New Orleans, all places where Dr. Bernstein conducts training! It was even used in New Jersey in the 1990s. Choose wisely when you pick a study group. Prepare for the **new** test, not the **old** one. The courts have ruled this exam is a fair and valid test.

Those who attend the Bernstein Work Sample Assessment Test (B-WSAT) review course will:

- Have a **conceptualized understanding** of the **new work sample testing** process
- Develop a **winning strategy** for approaching **written and oral work sample** exercises
- **Understand how the new work sample test works** and **what behaviors** are specifically being assessed
- Receive weekly **email** practice test questions
- **Learn how to anticipate** work sample scenarios
- **Have access to Dr. Bernstein**, the guy who developed the Bernstein Assessment test!
- **Acquire the knowledge** necessary to compete effectively
- Be sufficiently **prepared** to do their **very best** in the **Bernstein Assessment Test**
